

# SIX UNBEATEN ELEVENS REMAIN IN DIXIELAND

Georgia Tech's Rout of Praying Colonels in Atlanta Saturday Biggest Surprise Seas on Has Had to Offer—Auburn Dropped by Georgia in Hard Battle.

As the result of Saturday's grid battles in Dixieland, when six records of unbroken victories for this season on Southern gridirons were smashed, only six unbeaten elevens remain in the fight for Southern championship honors. Due to the 24-0 victory of Georgia Tech over the wonder eleven of Centre college, the Golden Tornado is looked upon as the 1920 championship eleven, for it is not believed that any other team in Dixie will have a chance to stop the Yellow Jackets now.

Georgia defeated Auburn in a stiff battle Saturday by the margin of one touchdown and goal.

Comparative scores in earlier performances had put the odds on the two losers in these games, but in the other three contests where each opponent entered the game unbeaten, the forecasts were borne out. Alabama defeated Sewanee, Virginia Military Institute bested North Carolina State, and Washington State won from Virginia Polytechnic Institute. Mississippi A. and M. with a victory over Tennessee University kept its clear record, but Vanderbilt mowed the Kentucky State record by winning in decisive fashion.

Six Have Clean Slate.

The result of the contests was to leave six of the more important Dixie elevens with a clean slate of victories for the season to date. Next Saturday's schedule does not bring any of the seven together but a fortnight hence Alabama meets Washington and Lee, and Mississippi A. and M. plays Tulane. This clean sweep hardly be said to have been swept aside this early in the season by single defeats for the schedule may result in no big touch going through with a perfect record, particularly if upsets continue.

In the inter-collegiate contests of Saturday the Southern teams were turned back losers, Harvard substitutes defeating Virginia University, 24 to 0, and Michigan's strong team, 24 to 0, victory over Tulane. North Carolina University was downed 13 to 0 by Western Maryland, a border team that does not play many strictly Southern colleges.

Vandy in Comeback.

It was on Southern gridirons, however, that the real interest lay and the games developed the most exciting program the season has yet shown. Vanderbilt's 20 to 0 victory over the strong Kentucky State gave indisputable proof that the old Vandy spirit survived the overwhelming defeats by Auburn and Georgia Tech. Alabama justified her heavy line and powerful backs by victory over Sewanee. Georgia raised high the hopes of her supporters by the 7 to 0 triumph over Auburn in the Georgia State first big game of the season.

Tech's defeat of Centre was by wide enough margin to show real strength claimed for the Tornado despite the fact that the Centre was handicapped by injuries to its Harvard game. The contest was hard fought and marked by fierce tackling by both teams, but unnecessary roughness was marked by officials only once, the penalty going to Tech.

During the game it was stated that both the Army and Navy are seeking a game in New York next season with Tech and that negotiations also are on with Dartmouth, Princeton and other Eastern elevens.

M. V. CONFERENCE.

KANSAS CITY, Mo., Nov. 1.—The week-end found the Missouri valley football conference season at the halfway mark, with Oklahoma, the member of the conference, and Kansas looming as the strong contenders for the valley championship. The Missouri University and Kansas State Agricultural school elevens were in the running, however, despite their defeats Saturday by Oklahoma and Kansas, respectively.

At Columbia, Mo.—Oklahoma 28, Missouri 1. The Columbia eleven's defeat Saturday by Oklahoma was one of the surprises of the season. It was the champions' first defeat of the year.

In the other valley conference games Saturday, Ohio State defeated Washington and Drake tied with Grinnell.

RICE ELIMINATED.

FORT WORTH, Texas, Nov. 1.—Elimination of Rice by Texas University, by a decisive score, was the outstanding feature of the week-end games in the Southwestern conference. Texas A. and M.'s 35 to 0 defeat of the Oklahoma Aggies seemingly shows the advantage of the Farmers in comparison with the 21 to 0 score by which Texas defeated the Sooner team at the Dallas fair, two weeks ago.

One decided upset in the Saturday games was the defeat of Baylor by Southwestern at the Cotton Palace. This result would indicate that the Texas Christian University has its work cut out to keep its record of victories unbroken when the Methodist plays here Thanksgiving day.

Games for the coming week will have almost bearing on the championship races on either the Southwestern or the Texas intercollegiate conference. Texas meets Phillips at Austin, while Texas A. and M. will play Baylor at the Cotton Palace, and T. C. U. will meet the Missouri School of Osteopathy here. Some interest will be taken in the Southern Methodist University-Rice game at Houston, owing to the excellent showing made in all its games by the Dallas university.

DELMONT SCORES

ANOTHER VICTORY

PHILADELPHIA, Nov. 1. (Sp.)—Gene Delmont, the Memphis lightweight, made another remarkable showing here Saturday night when he decisively defeated Joe Tipitiz and all but stopped him in the first round. This was the second victory for Delmont in the week and unless something happens he will soon be the Southern heavyweight champion.

Delmont floored Tipitiz with a right to the chin and had him groggy with heavy body punishment. Only gameness and toughness on the part of Tipitiz saved him from a knockout.

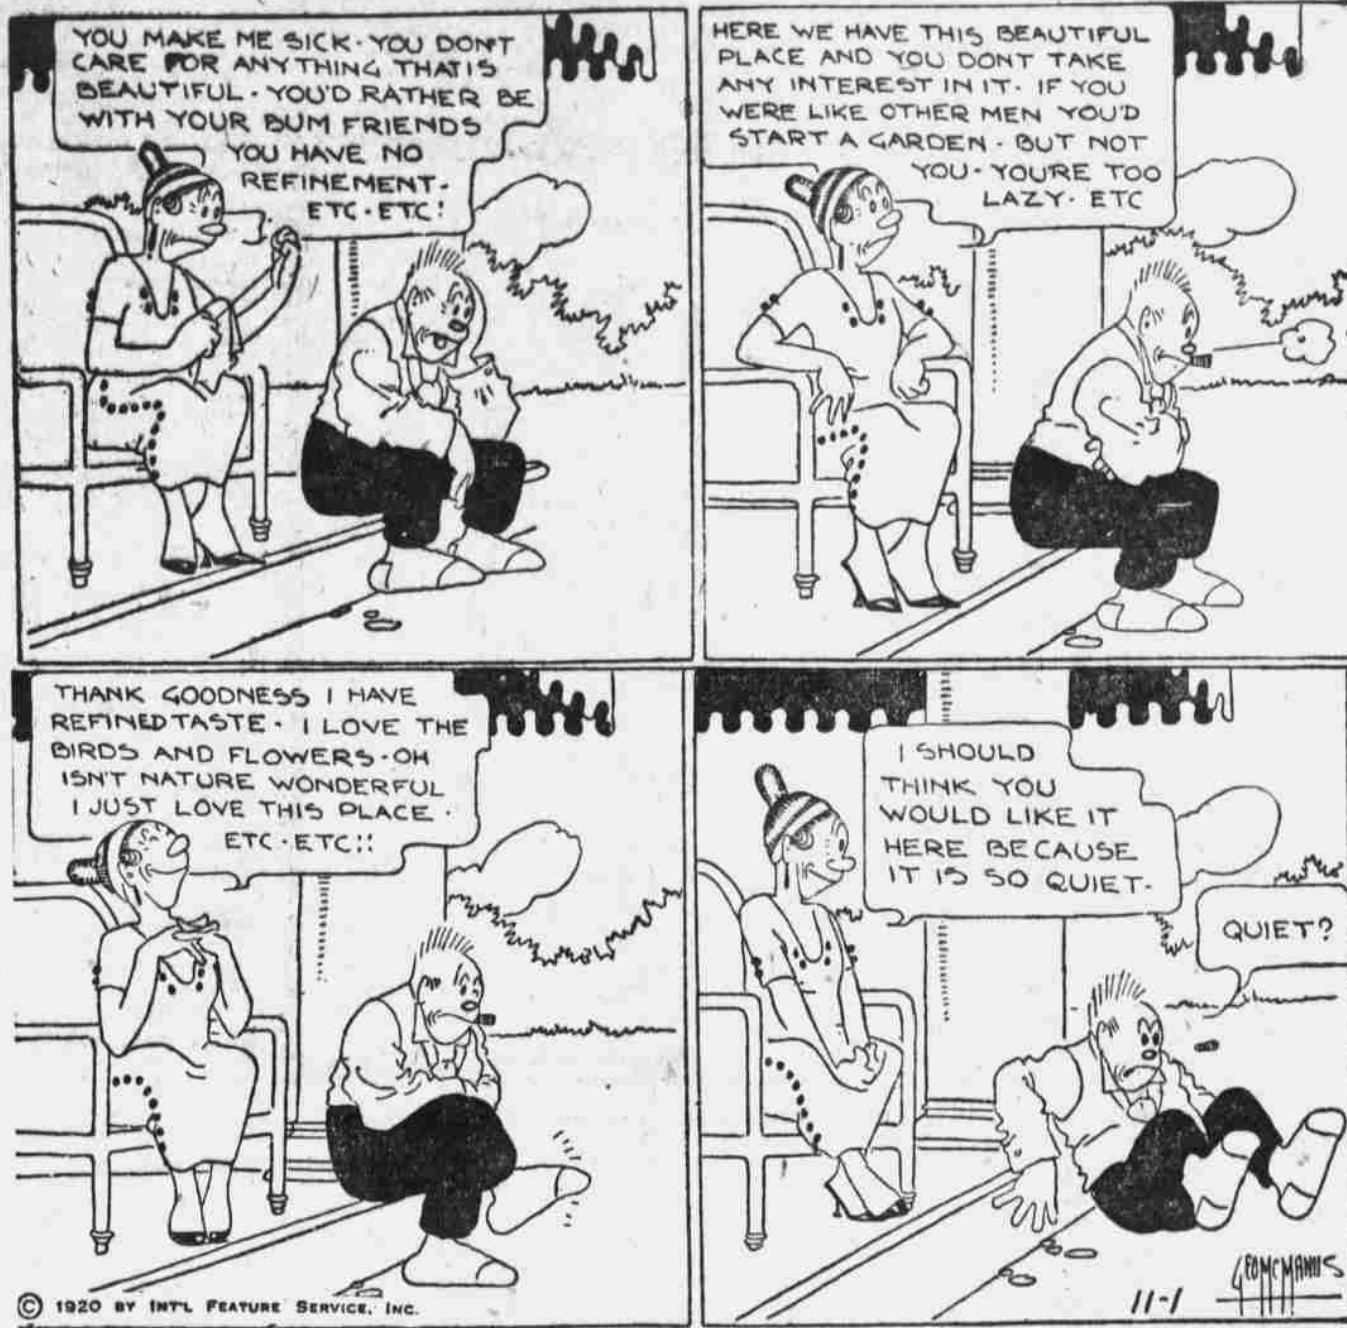

Delmont is considering an offer from Billy Haack for a bout at the Southern A. C. in Memphis on Nov. 22.

RICKETTS LEADS.

CHICAGO, Nov. 1.—W. D. Ricketts, Flint, Mich., last night led in the national pocket billiard tournament after the second week of play. He has won all six of the games in which he has participated. McCoy, of Richmond, Va., is in next to last place with two victories and seven defeats.

## CENTRAL HIGH IS CLAWED BY TIGERS IN EXCITING GAME

Green and Gold Eleven No Match for Little Rock High in Saturday Battle at Russellwood Park.

The Little Rock high school Tigers came, saw, and clawed the Central High into a bleeding mass at Russellwood park Saturday afternoon, in one of the best football games of the season. The battle ended 13 to 0 for the invaders, who won the decision by clearly outplaying, outgeneraling and outgaining the local eleven.

From the opening period through the game until the last sound of the final whistle had died away, the supremacy of the Little Rock team was apparent. The Little Rock team, being much heavier, plowed its way time after time through the Central line, and tore holes that made it an easy matter to gain.

The two teams were on even terms in the first period, although Little Rock had the ball on Central's twenty-yard line, only to lose it on downs. Capt. York, of C. H. S., then booted the oval out of danger. In the second period a pair of forward passes netted the first score of the day. Patterson taking the ball thrown by Williams, and running 10 yards across the line. Williams failed to kick goal. Score end of first half, 6-0 for Little Rock.

In the third period Little Rock carried the ball to Central's 20-yard line, but here the Green and Gold defense stiffened, and the Tigers were held at bay.

In the final quarter the Tigers went in and waged a desperate battle. Within five minutes of the final whistle, the Tigers marched down the field by line plunges and end runs, and Williams and Bale carried the ball to the C. H. S. one-yard line. Bale went through center for a touchdown. Williams kicked goal.

With the final few minutes ticking off, and with the ball in possession of Little Rock on their own 40-yard line, Felix tore through center and with perfect interference he traveled 60 yards for a touchdown. Williams failed to kick goal. The game ended 13 to 0 for Little Rock.

WOODS MAY HEAD NEW BASEBALL COMMISSION

NEW YORK, Nov. 1.—Reports that Col. Arthur Woods, former police commissioner of New York City, has been offered the position as head of the reorganized National commission to control baseball were current in sporting circles here.

It was understood that Col. Jacob Ruppert, past owner of the New York Americans, had made the offer on behalf of the National League clubs and the New York, Chicago and Boston American League clubs, which recently advocated the control of the game by a commission of men not interested financially. Col. Woods is now head of a bureau investigating illegal voters.

## FOUR OF TECH HOPES MEET C. H. S. SATURDAY

Will Have More Games in 1921 Than They Did in Season of 1920.

Top Row: POWERS, backfield; J. PERKINS, left end. Bottom Row: FERGU-SON, captain and fullback; McINTOSH, left half.

When Tech's four squares off against Central High Saturday at Russellwood, these four Tech stars will be expected to do their share in turning out a win over the Green and Gold machine. They have been prominent in the good showing of Tech thus far this season, and are being groomed for the hardest battle of the year.

Central High, although having been defeated Saturday by the heavy Little Rock High machine, figures that they will have the margin on Tech in the final Saturday. It promises to be a great battle from whistle to whistle.

That was all the scoring that was done although again in the last period Tech's "jump shift" brought the ball from their own 20-yard line straight down the field to Central's seven-yard line. On a fumble the pigskin bounced across the line. Tanner recovered it and the play in the growing darkness was first called a safety but after lengthy argument determined upon as a touchback.

Centre had held Tech time and again, as Tech had done Centre, and punting had been frequent. The punts averaged 45 yards and usually were high enough for the receiver to be downed with little gain.

## SOUTH ATLANTIC EXTENDS SCHEDULE

Will Have More Games in 1921 Than They Did in Season of 1920.

COLUMBIA, S. C., Nov. 1.—Directors of the South Atlantic Association of Baseball clubs held their annual meeting here Sunday to complete details of last season's play, and plan for the next.

The pennant was officially awarded to Columbia for the 1920 season. A schedule committee was appointed to arrange for the next season's playing dates. These will probably extend five full months, sentiment for a longer season being favored. The association also took further action against contract jumpers, adopting unanimously a resolution providing that no players who have jumped contracts can play in the association.

N. P. Corbis, of Savannah, was elected to fill the newly created office of second vice-president. The other officers, W. H. Walsh, of Charleston, president, secretary and treasurer, and Bryan Bell, of Columbia, vice-president, hold over.

JOHNNY DOBBS TO PILOT PELS AGAIN IN SEASON OF '21

NEW ORLEANS, Nov. 1.—Johnny Dobbs, who has managed the local club of the Southern association for the past seven years, has signed a contract for another year. Recently it was announced he would manage the Montgomery club of the South Atlantic league, but he has decided to remain with the Pelicans.

BABE RUTH MAKES DEBUT AS GIANT

HAVANA, Nov. 1.—Babe Ruth, home run king of the New York American league baseball team, made his debut here Saturday as a player with the New York Giants in their series with the Havana team. He was accorded an enthusiastic ovation by the Cuban fans. A triple and a double were the best Ruth could provide in the game Saturday, which was won by the Giants four to three.

AGGIES DEFEAT VOLUNTEERS, 13-7

STARKVILLE, Miss., Nov. 1.—Mississippi A. and M. Saturday defeated University of Tennessee, 13 to 7, in a game marked by spectacular plays by both elevens. The forward passing and end running of the Aggies and the defensive play of the Tennessee were features. In the first period Mississippi's goal was threatened, but the attack was thrown back. In the second period the situation was reversed, and Tennessee twice stood off the Maroon attack before Little went around the end for a touchdown for the Aggies. Forward passing and long runs around the end accounted for the remaining scores of the Mississippians. A long forward pass, Blair to James in the final period gave Tennessee its touchdown. Fletcher kicked goal.

Score by periods: A. and M. 0 6 7 0-13. Tennessee 7 0 0 0-7.

# PAL MOORE REALLY SELF-MADE FIGHTER

Memphis Bantamweight and Legitimate Champion Plugged Away to Reach the Top—Meets Red Watson at S. A. C. Monday Night in Eight Rounds.

BY BOB FIGUE.

"Keeping everlastingly at it brings success," has been the motto of Pal Moore, Memphis bantamweight and legitimate king of the middle class of ring warriors, who stands today at the crest of his great career. Pal meets Red Watson, of New Orleans, in an eight-round bout at the Southern A. C. Monday night. There will also be a six-rounder and two four-rounders. Moore looks back over the first years he has been boxing and feels fully satisfied that his policy of keeping everlastingly at it has brought him fame and fortune.

Pal started his successful career as a preliminary fighter at the old Phoenix Athletic club in Memphis, which has since been changed to the Southern. Pal's rise from the ranks of the amateurs was meteoric. They call Pal the Phantom and the Freak, and he is both, for no fighter has ever met has been able to figure out his style of fighting. He is always mulling the unexpected, which is the main reason he is supreme in the ranks of the bantams.

FOUGHT K. O. EGGERS.

Moore was still in his pugilistic swaddling clothes when he was matched with Knockout Eggers, a hard New Yorker. Pal fought the man-eating Eggers a whirlwind draw, and topped it off by later meeting Ed Williams, bantam champion of the world, here in Memphis, in a decision go and sending Williams sprawling on two occasions, but being unable to put him away for the long slumber. Pal is between 24 and 25 years of age.

Pal's real name is Thomas Wilson Moore. How he happened to be called "Pal" is an interesting story. Pal was fighting in Philadelphia, and the announcer got ready to announce the names of the fighters, when he asked Pal what his name was. One of Pal's seconds suggested that he call himself "Pal," as there was a great lightweight by that name, some time ago. Pal, however, himself announced as Pal Moore and he has been Pal ever since.

HE NEVER WORRIES.

Moore is made out of pique. He never worries. One of the most peculiar parts of his makeup is that he can sleep like a baby in a cradle before an important fight. He usually takes a couple of hours in the day to sleep, but before going in the ring.

When Pal met Jimmy Wilde, British flyweight champion, he was asleep 20 seconds before the first bell was due to ring. The same thing occurred when he met Kid Williams, then bantam champion, here. It goes to show how nervous he is or isn't. "So long as you don't go to sleep in the ring, it is all right isn't it?" asks Pal.

Pal was a job during the war, and his patriotism paid him big dividends, as he was given a chance during the big boxing tournament to meet Jimmy Wilde, and his victory over Wilde put Pal's stock higher than ever before.

Moore is a legitimate bantam and never enters the ring over 118 pounds, and more than usually weighs around 116 when in fighting trim.

HIS EARLY HISTORY.

Pal tells interestingly the early parts of his career, how he happened to start in the glove game. "Yes, I come of good old Irish stock, and my family is a flyweight outfit, that is physically. Neither mother nor father weighs over 115 pounds. And I've got a flyweight brother, too, who is an electrician. That's what I started out to be—an electrician. But one night I took in a fight at the Phoenix club here, and changed my mind. A couple of dubs boxed a semiwindup and their exhibition was so raw that out of curiosity I asked one of the promoters, a friend of mine, how much they received for the exhibition. Fifty dollars he answered. Right there I made up my mind that I could hear more money in that ring than I could in the doorknob of my brother, the electrician, used to repair.

"The next week I went on in a preliminary bout at the same club. I made good from the start. Soon I was put in the semiwindups and began to get a reputation as a clever fighter."

Fledglings are the only kind of chickens that interest Pal. He has been married about a year.

AGAINST LASKER PLAN.

DETROIT, Mich., Nov. 1.—The board of directors of the Michigan-Ontario Baseball league, at a meeting here Sunday, voted against the adoption of the Lasker plan for governing baseball. The action was taken on the grounds that the plan provides no representation for minor leagues.
